Dear Sir:

This is in response to the outstanding Office Action, dated February 15, 2005, in the above-identified application.

This Response is believed to be timely submitted. It is believed that no fee is due; however, in the event a fee is required, please charge the fee to Deposit Account No. 13-3723.

In the Office Action under reply the Examiner acknowledged receipt of new drawings for the subject application on December 2, 2004, and indicated that the Amendment dated November 30, 2004, with which those new drawings were submitted on December 2, 2004, was not fully responsive to the prior Office Action.

The Amendment submitted on December 2, 2004 was not intended to provide a response to the Office Action dated November 17, 2004. A response to the Office Action dated November 17, 2004, was submitted by facsimile on February 11, 2005, and is believed to have been received in the U.S. Patent Office on that date in view of information recorded on PAIR

Application No.: 10/750,223Case No.: 57920US002

(copy enclosed). Thus, we do not believe that any further response is due to the Office Action under reply or to the Office Action dated November 17, 2004.

We regret any confusion that we may have caused by the form or timing of our submission of the new drawings.

Respectfully submitted,

February 24, 2005
